Election of Trustees and Budget Vote

The Library Director shall be responsible for conducting the annual election of trustees to the Board of Trustees and budget vote (if applicable) of the Perry Public Library.

The Library Director will obtain the services of up to four (4) qualified election inspectors who will be responsible for the operation of the election – registration of voters, dissemination of ballots, counting of the ballots, and determination of a winner. The Commissioner of Elections in Wyoming County may be utilized in the selection of election inspectors to monitor any election of the Perry Public Library.

The Library Director will develop/obtain/purchase appropriate ballots for the election, including absentee ballots. Ballots will be available for counting following the closing of the polls on any election day.

The election inspectors will be solely responsible for the counting of ballots and accounting for every ballot available and utilized during the election process.

No winner of the election will be decided or announced until every ballot available during the election is available and accounted for and confirmed, in writing, by the election inspectors.
