Budget & Building Committee Minutes

March 30, 2022

In attendance: Bethany Zerbe, Priscilla Popp, Jessica DeMarte (Director), Dave Shearing, Lorie Ames (7:06pm).

Bethany Zerbe called the meeting to order at 7:00 pm.

The committee reviewed three quotes received for alarm systems. Director DeMarte recommended that if the committee pursue a Construction Grant to bundle a few smaller projects together, such as the door installation and the alarm system. The committee is in favor of moving in that direction to bundle the alarm system project with the swinging double door replacement & installation.

Director DeMarte is working on getting quotes for a historic replacement for the swinging doors that will be ADA compliant. Once all the quotes are in, Director DeMarte will work on the paperwork and seek approval from the Board for final submission due June 1st.

Both the CDs are up for renewal. Director DeMarte presented the options available. **Bethany made a motion to place the funds into a 14 month CD at a rate of .20%. Priscilla seconded and the motion unanimously passed the committee.**

Director DeMarte updated the committee on building keys. Director DeMarte will work on getting a quote from a locksmith.

An update was provided on the Pierson estate.

The meeting was adjourned at 7:46 pm.

Respectfully submitted,
Jessica DeMarte.
