Programs:

11/16: Tech 101-3 attendees, 1 additional handout. Book Discussion-*Rescheduled to 12/7 due to weather.*

Meetings:

11/2-11/5 NYLA Conference (Article attached from RLRT Newsletter), 11/9-Annual System Meeting, 11/10 Directors Advisory Council & New Director's Group, 11/15 Aunt Flo Initiative, 11/18 LIU Class. Planned: 11/29-NYS Retirement Report Filing

Building:

After Ed Hulme's workers came out and opened up the wall, everything seems to be okay and is dry. Inside the wall, the downspout drains down to a tile line so redirecting the water away from the building has done the trick. Nate will move the remaining downspouts that drain into the same tile line as weather permits, as well as close the wall back up and put the toilet back in place.

Miscellaneous:

I responded to 1 reference request this month.

The new staff person, Ron, has started. He completed his onboarding training and is doing well so far. Staff continue to work on weeding projects-Mystery & Science Fiction.

I used 3.5 hours of PTO this month.
