Continuing Education:

4/26-LIU Class

This was the final class of the semester. Fall 2024 will be the last semester of the certification and will focus on Facilities & Technology.

Building:

Utilities have been marked, so expecting foundation work in the next few weeks. So far, no further water has come into the building.

Laura and I have discussed upcoming outdoor projects: painting railings at the road and the stairs, planting grass in the front yard & along the electric path dug.

I was notified one of our trees appears to have some kind of issue. I am working on contacting experts.

Miscellaneous:

We switched the fiction & nonfiction on the front and side walls due to spacing. So far, it seems to be working out very well. There are signs posted to help patrons navigate the changes.

Work continues on the upcoming vote. I will be speaking with Rotary on May 2nd.

Jes and I have been working on Summer Reading related events/planning.

I answered 8 reference questions.

I used 5 hours of PTO.
