

Adventure Begins at the Perry Public Library

Mercy Watson

by
Kate DiCamillo

Mercy likes hot toast with a great deal of butter on it.

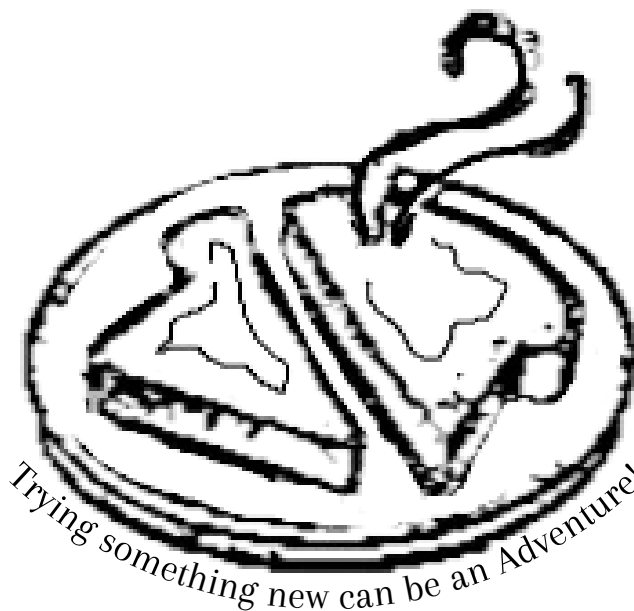

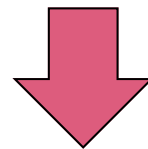

Have a Hot Toast and Tea Party!

Step One: Make Toast (either real or pretend is awesome)

Step Two: Choose your favorite toast toppings!

Step Three: Draw your toppings on Mercy's Toast

Step Four: Enjoy your toast with your friends!

Trying something new can be an Adventure!

Notes for your Adult Helper

- Help your young Mercy fans to make their toast and serve their favorite beverages in fun drinking cups
- Have a tea party with your family, invite friends over, or keep it small by setting-up tea with stuffed animals.
- Mercy might like butter, but you should try some other things on toast like jam, fruit, cinnamon, cream cheese, chicken salad, avocado, nut butters, etc.
