Building:

Part of the carpet in the front of the library has popped up. I had someone out for a quote, but they have not come back to fix the rug yet.

I scheduled the carpet cleaning for August 3rd after we close for the weekend.

Miscellaneous:

The Library Vote held on June 4th passed, 50 yes & 6 no.

The issue with NYSLRS has been resolved. I have filed the necessary paperwork to correct the past issues with how the health insurance was being reported for retirement purposes and the payroll company have fixed the issues in their reporting so it will not continue to happen. We are waiting for New York State to process the credits.

I answered 5 reference questions and used 15 hours of PTO.
