Building:

The gutters were cleaned for the first round. I will assess after the rest of the leaves fall whether we need to get them cleaned again before winter or if we should do early spring after the oak leaves come in and knock the old ones down.

We will be getting the bottom of the exterior front doors repaired as soon as supplies are in.

Minor repairs have been completed by Dennis: women's faucet was not running correctly, cut down two small dead trees, hung bulletin board and business card holder for business postings.

I am working to get a batch of large garbage together so we can finally get the rest of the piano out from the storage room. I have an estimate from one business and will be getting a second one soon.

Financial:

The AFR has been reviewed by the Office of the State Comptroller, requested changes have been made and the supplemental notes submitted.

Continuing Education:

AI Policies Webinar (recording), 10/28 OWWLUG

Miscellaneous:

I used 8.25 hours PTO. I answered 2 reference questions.
